

Transformational Teamwork: Growing Leaders at Every Level

Develop a high-performance culture that will light a fire within team members rather than under them.

What dental practices need to ensure growth and sustainability cannot be bought with a paycheck. Trust and respect are the currency of winning cultures fueling everyone on the team to generate exceptional results.

If you satisfy employee needs, they will trust you and if you satisfy the needs that ignite passion, not only will your employees trust you, they will also be passionate about what they do **AND** the practice.

When everyone on the team is on the same page, all team members are clear about what they are doing and why they are doing it. They become committed to fulfilling their responsibilities to achieve the team's goals. As a result, highly aligned teams become high performing teams. This level of alignment can only be achieved when there is a high level of trust on the team.

Join us and learn clear steps to building a culture of trust, aligning teams, and developing leaders with more effective trust building and flexibility skills. A strong culture of trust and flexible leadership helps your practice to grow and thrive.

Learning Objectives:

- To understand the employee passion pyramid. Learn leadership skills to create passionate employees.
- Learn the difference between engagement and passion.
- To understand the foundations for a culture of trust and personal responsibility.
- To learn how to support the practice to build stronger trust relationships with dentists, team members and patients.
- To learn how to support dentist leaders in being flexible and grow their ability to build trust within their practice.
- Walk away with the action steps necessary to create lasting behavior change and empowering team performance.
